The Tenth Session of the World Urban Forum

The Tenth Session of the World Urban Forum (WUF10) – the world's premier conference on urban issues – **is taking place in Abu Dhabi from 8 to 13 February 2020.**

Thousands of participants from NGOs to national and local governments, academics and practitioners to community leaders will come to share their views and experiences on urbanization.

The theme is *Cities of opportunities: Connecting culture and innovation.*

Don't miss out on this landmark forum organized and convened by UN-Habitat in cooperation with Abu Dhabi's Department of Urban Planning and Municipalities (DPM).
