Abu Dhabi Tour 2

Experience the history of Qasr Al Hosn through a series of revealing exhibitions charting the development of Abu Dhabi as a city. Qasr Al Hosn is the symbolic birthplace of Abu Dhabi. It is the first permanent structure built in the Emirate of Abu Dhabi and one that housed its ruling Al Nahyan family for generations. From there you will visit Qasr Al Watan, a new cultural destination. The tour ends with a visit to the breathtaking Louvre Abu Dhabi, a universal museum in the Arab world. Its very name is testament to what is an unprecedented alliance of an intergovernmental agreement between the emirate of Abu Dhabi and France, containing artistic treasures from around the world.
