

Event Details

Title of Event

Delivering the Sustainable Development Goals (SDGs) & The New Urban Agenda in Ghana - Leveraging on the Culture of the People and Comparative Advantage of Cities

Organization Details

Organization: Ministry of Planning

Organization Country: Ghana

Summary

The event, therefore, aims at sharing with UN Member States the initiatives implemented by the Government of Ghana (GoG) other non-state actors are collaborating to push the 2030 Agenda and ensure that truly, no one is left behind) in respect of delivering the Agenda 2030 Goals (SDGs), including efforts and transformative changes being witnessed as result of the interventions. It will focus rationale for partnership arrangements from the perspective of Government and Traditional Authorities. As a High-Level event, key partners within ECOWAS and other regional groups will invited to share their progress as a basis for Knowledge Sharing, especially, Best Practices to fast-track the implementation of the SDGs. The SDGs have direct linkages to the New Urban Agenda (NUA) implementation. The event will leverage on the knowledge sharing session to present to participants progress and challenges inherent in delivering the NUA in Ghana, through Local Authorities. It is expected that the deliveries will trigger an engaging discussion among the participants on Ghana's efforts at achieving the SDGs and implementing the New Urban Agenda and the role of traditional authorities. At the event, GHANA and partner Member States of UN and ECOWAS are expected to jointly declare renewed commitment and allocation of resources to implementation of the SDGs and New Urban Agenda
