

## Event Details

### Title of Event

From planning to implementing the New Urban Agenda and the SDGs: local experiences in Mexico.

### Organization Details

**Organization:** Ministry of Agrarian, Territorial and Urban Development of Mexico

**Organization Country:** Mexico

### Summary

Hold a session to share with the international community the effort and work being done in Mexico for the implementation of the principles of the New Urban Agenda and the achievement of the Sustainable Development Goals. Projects will be presented in which SEDATU and UN-Habitat have offered technical assistance and in which important lessons have been identified that can serve to guide and inspire local governments in different countries.

### Other Organization name

UN-Habitat for Mexico and Cuba
