

## Event Details

### Title of event

An innovative multidimensional approach to accelerate the 2030 Agenda through Participatory Budgeting;

### Organization Details

**Organization:** UN-Habitat

**Organization Country:** Kenya

### Summary

This side event is jointly organized by UN-Habitat, UCL, General Escobedo City, Mexico, UCLG, and ENDA. The event will begin with interventions from a diverse panel that will dialogue and showcase how Participatory Budgeting (PB) can be used as an innovative multidimensional tool to accelerate the 2030 Agenda and the New Urban Agenda (NUA) at a local, regional and national scale. This will be followed by Q&A from the floor. The session will close with the moderator identifying principles, practices, and policies that could be emulated as other governments engage further with PB to accelerate the Sustainable Development Goals (SDG) and key aspects of the NUA.

### Other Organization name

The Bartlett Development Planning Unit / University College London
