WORLD URBAN FORUM

ELEVENTH SESSION

KATOWICE, POLAND | 26-30 JUNE 2022

The World Urban Forum is a non-legislative technical forum convened by the United Nations Human Settlements Programme (UN-Habitat), hosted in a different city every two years, to examine the most pressing issues facing the world today in the area of human settlements, including rapid urbanization and its impact on cities, communities, economies, climate change and policies. It is the world's premier conference on cities.
