

Rising to the global challenge of finding Somewhere to Live

05 Nov
6-7pm hours
Urban Library Room B

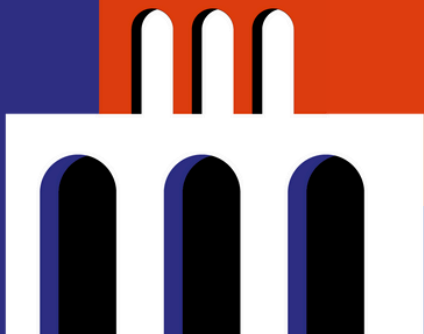

**Urban library
event**

**WORLD
URBAN
FORUM**
TWELFTH SESSION

Why you should attend

Geoffrey Payne, Adriana Allen and David Dodman will address the two greatest issues facing humanity – rising inequality and the climate crisis – and show how housing policy can be a means of addressing both issues. Please join us in person or online.
